Are movements against climate-change policy anti-environmental ... The French Yellow Vest (YV) movement was born out of the opposition to an increase in carbon taxation. It has therefore been conventionally depicted as an anti-environmental protest. This article challenges this view, based on a review of scholarship on YVs and on the environmental values, actions and mobilizations of underprivileged citizens. We start with an overview of the studies available .... The Activist's Handbook - De Gruyter In this thoroughly revised and updated edition of The Activist's Handbook , Randy Shaw's hard-hitting guide to winning social change, the author brings the strategic and tactical guidance of the prior edition into the age of Obama. Shaw details how activists can best use the Internet and social media, and analyzes the strategic strengths and weaknesses of rising 21st century movements for ...

What is activism? - Activist Handbook Activism is action on behalf of a cause, action that goes beyond what is conventional or routine. - Brian Martin. One popular, narrower, definition of activism is that it only includes unconventional actions. However, as Brian Martin says, "the boundary between activism and conventional politics is fuzzy and depends on the circumstances".. Start a movement - Activist Handbook 5. Create a culture of care. It is common for activists to motivate each other to work really hard to achieve your goals. And while it is good to be motivated, you cannot make any impact if you are burned out. When building a movement, make sure to create a culture of care right from the beginning.

The Bretons in French Politics: Regional Mobilization within and beyond ... There was an essential difference between the two movements, however: while the bonnets rouges brought together social and cultural, activists, community leaders, and business interests in promotion of specific territorial demands, the anger of the yellow vests was explicitly directed against the national political elites and their policy ....
