Chapter 2 Uncertainty, risk aversion, and risk management for ... Abstract. Uncertainty and risk are quintessential features of agricultural production. After a brief overview of the main sources of agricultural risk, we provide an exposition of expected utility theory and of the notion of risk aversion. This is followed by a basic analysis of agricultural production decisions under risk, including some Handbook of Agricultural Economics - ScienceDirect ISBN: 978-0-444-50728-0.
