Micro-Foundations of Urban Agglomeration Economies Abstract. This handbook chapter studies the theoretical micro-foundations of urban agglomeration economies. We distinguish three types of micro-foundations, based on sharing, matching, and learning mechanisms. For each of these three categories, we develop one or more core models in detail and discuss the literature in relation to those models.. Sprawl and Urban Growth - ScienceDirect In 2003 America, urban growth and sprawl are almost synonymous and edge cities have become the dominant urban form. In this essay, we review the economic literature on sprawl and urban growth, and make four points. • First, despite the pronouncements of academic theorists, dense living is not on the rebound.
