The Java Cookbook: Frequently Asked Questions The Java Cookbook: Frequently Asked Questions Buy 4E! Buy 3E! About. List of Chapters - Detailed Contents. Downloads. Frequent Questions (FAQ) Errata. Mailing List ... You need at least the current Java SE LTS, currently 11. As we are always working to the bleeding edge, some classes need up to the latest SE, which is currently 14. Java Cookbook: Table of Content Using regular expressions in Java Reusing the compiled pattern Matching newlines in text Matching text throughout files Finding the text that matched Replacing the Text that Matched Program: Full Grep 5.Numbers Checking Whether a String Is a Valid Number Storing a larger number in a smaller. Taking a fraction of an integer without using ...

License - javacookbook.org This license applies to all the code I wrote for use in the Java cookbook This does not include the code used as examples from others, such as the Kernighan & Pike CSV code in C++, which has its own copyright. It also does not include anything you find in the Contrib directory; each package there should have its own copyright or license.. Register that book :-) - javacookbook.org I don't believe in "registering a book", but if you want to do so, you can find it on the publisher's page. On the other hand, if you'd like to sign up for a very-low-volume list for news about the Java Cookbook and major Java events, I'd be more than happy to have you join the mailing list. join the mailing list.

Java Cookbook: Solutions and Examples for Java Developers What they're saying... "I am impressed by how many topics are covered, including many less-common problems..." Andrew Binstock reviewing the fourth edition in Oracle Java Magazine Java Cookbook: An Excellent Read "The Java Cookbook is arguably the best book ever written on the Java programming language..." Jack D. Martin, Computer Scientist, reviewing on Barnes & Noble.. Java Cookbook: How to Help Spread the word How to Help Spread the word about The Java Cookbook. If you liked the book (thank you!), you can help by Tweeting, Posting, Sharing on social media. Telling your friends, colleagues, manager, librarian: If you tell one person a week about it, in a year there'll be 50 or so new fans! (But don't tell the same person about it 50 times :-))
