The Oxford Handbook of U.S. National Security - Oxford Academic The Oxford Handbook of US National Security aims to correct this. Coming from academia and the national security community, its contributors analyze key institutions and processes that promote the peace and prosperity of the United States and, by extension, its allies and other partners. By examining contemporary challenges to US national .... Theories of Intelligence | The Oxford Handbook of National Security ... The discipline of intelligence studies to date has spent relatively little time on theorizing. Within the practice of intelligence, considerable use has been made of theory in order to develop practical applications that contribute to agencies' core mandate: the protection of national security. This chapter concentrates, rather, on theories of intelligence: the issue of how the social sciences ...
